RE: FOIA Request

Dear FOIA Officer:

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, as amended, and the FOIA regulations promulgated by the U.S. Environmental Protection Agency in 40 C.F.R. Part 2, I hereby request a copy of the Cancer Assessment Review Committee report for Fenoxaprop-ethyl dated July 29, 2013. This report is related to Bayer's registration of the active ingredient Fenoxaprop-p-ethyl. Probable registration numbers include 264-653 and 264-666.

Due to EPA directives to work from home because of COVID-19, my understanding is FOIA Officers currently only have access to certain scanned files for each registration. Therefore, my request pertains to any files that can be currently accessed until normal EPA operations are restored.

Please contact me at (212) 702-5464 or via email if you have any questions or concerns. I authorize costs up to \$100 associated with copy and review time to prepare this request. Please let me know if the costs will exceed this amount.

Sincerely,
s/Sandra Fischer
